# 2018 Valley City Donation Commitment

Below are short descriptions of each major event. On the back you can choose which level of sponsorship or donation(s) you prefer to make for next year. All donations are tax deductible.

**July 4th** - The Liverpool Township Historical Society, whose purpose is to preserve the history and give back to the community, coordinates all activities during the day that include a parade, Antique and Classic Vehicle show at the Mill Stream Park, and the evening's entertainment before the fireworks display. The Valley City Community Group (VCCG) will coordinate the evening fireworks show at Mill Stream Park. Corporate Sponsors supporting this event are invited to provide its banner for display in the park's pavilion, and your sponsorship will be recognized to the thousands who attend.

**84<sup>th</sup> Annual Fire Department Street Fair - August 17 – 19:** The Valley City Fire Department Association has used this community event as a fund-raiser for the past 83 years. The profits from the Street Fair are used to keep pace with the increase in service requests by the community rather than increase property taxes. Corporate Sponsors supporting this event are invited to provide its banner for display, and your sponsorship will be announced each day to thousands who attend.

**57<sup>th</sup> Annual Frog Jump Festival - August 19:** The VCCG, whose primary focus is to enhance the quality of life in our community through partnerships with business and individuals through historic preservation, economic development, and promotion, runs the Annual Frog Jump Festival. The Frog Jump Festival will be held in the Mill Stream Park and is typically attended by over 3,000 people. Corporate Sponsors supporting this event will receive space and/or tent and tables to display their approved products or giveaways, are invited to provide its banner for display, and your sponsorship will be announced all day.
